THE  
AGA ELISE  
SERIES

# THE AGA ELISE SERIES

In the re-imagining of the classic Elise design, AGA took its cues from the modern farmhouse movement itself. Rustic yet refined, the Elise blends old and new in masterful ways, both fresh and timeless, with just a hint of the exquisite.

To meet the color demands of the modern homeowner, the Elise will soon offer a newly expanded palette designed to match the natural shades of a British-inspired landscape. *Exciting and fresh new colors will be launching in Spring of 2022.*

Complimented by stunning new cruciform knobs with knurling, shipped standard in Brushed Nickel, but also available as after-market options in five additional versatile hardware finishes (Polished Chrome, Polished Brass, Polished Copper, Brushed Brass, and Black Anodized Aluminum), the re-imagined Elise confidently steps into the spotlight along side its classic AGA siblings.

## 36" DUAL FUEL RANGE

### FEATURES

Product Dimensions: 35 ½" W x 27 ⅝" D x 36" H (inches)

The AGA Elise 36" Dual Fuel Model features one large multifunction oven with seven settings including true European dual-convection cooking, fan-assisted baking, browning, thaw and serve, convection broiling, warming, and conventional cooking. Solid cast iron grates adjoin to create a continuous cooktop surface above the five powerful sealed-brass burners, allowing for easy cleanup and prevention of messy spills from reaching internal components.

Complimented by stunning new cruciform knobs with knurling, shipped standard in Brushed Nickel, but also available as after-market options in five additional versatile hardware finishes (Polished Chrome, Polished Brass, Polished Copper, Brushed Brass, and Black Anodized Aluminum), the re-imagined AGA Elise 36" Dual Fuel Model confidently steps into the spotlight along side its classic AGA siblings.

### FINISHES

**NOTE:** Colors not in stock could have a 4-12 week lead time (check for availability)

## 36" INDUCTION RANGE

### FEATURES

Product Dimensions: 35 ½" W x 27 ⅝" D x 36" H (inches)

The AGA Elise 36" Induction Range features one large multifunction oven with seven settings including true European dual-convection cooking, fan-assisted baking, browning, thaw and serve, convection broiling, warming, and conventional cooking. The ceramic glass surface cooktop with five induction burners and integrated capacitive touch controls efficiently utilizes, transfers, and captures 90% of energy generated, as compared to only 55% with that of a traditional gas burner.

Complimented by stunning new cruciform knobs with knurling, shipped standard in Brushed Nickel, but also available as after-market options in five additional versatile hardware finishes (Polished Chrome, Polished Brass, Polished Copper, Brushed Brass, and Black Anodized Aluminum), the re-imagined AGA Elise 36" Induction Model confidently steps into the spotlight along side its classic AGA siblings.

# 48" DUAL FUEL RANGE

## FEATURES

Product Dimensions: 47 1/16" W x 28 7/16" D x 36 1/8" H (inches)

The AGA Elise 48" Dual Fuel Model features three separate ovens. The first is an electric multifunction oven with seven settings including true European dual-convection cooking, fan-assisted baking, browning, thaw and serve, convection broiling, warming, and conventional cooking. A second European convection oven offers the ability to cook multiple large dishes at once using differing heating modes and temperatures, while a third dedicated glide-out broil oven allows for dedicated top-heat broiling. Solid cast iron grates adjoin to create a continuous cooktop surface above the five powerful sealed-brass burners, allowing for easy cleanup and prevention of messy spills from reaching internal components. A storage drawer stores extra racks and trays.
