THE
AGA ELISE
SERIES

In the re-imagining of the classic Elise design, AGA took its cues from the modern farmhouse movement itself. Rustic yet refined, the Elise blends old and new in masterful ways, both fresh and timeless, with just a hint of the exquisite.

Complimented by stunning new cruciform knobs with knurling, shipped standard in Brushed Nickel, but also available as after-market options in five additional versatile hardware finishes (Polished Chrome, Polished Brass, Polished Copper, Brushed Brass, and Black Anodized Aluminum), the re-imagined Elise confidently steps into the spotlight along side its classic AGA siblings.

36" DUAL FUEL RANGE

FEATURES

Product Dimensions: 35 1/2" W x 27 5/8" D x 36" H (inches)

The AGA Elise 36" Dual Fuel Model features one large multifunction oven with seven settings including true European dual-convection cooking, fan-assisted baking, browning, thaw and serve, convection broiling, warming, and conventional cooking. Solid cast iron grates adjoin to create a continuous cooktop surface above the five powerful sealed-brass burners, allowing for easy cleanup and prevention of messy spills from reaching internal components.

Complimented by stunning new cruciform knobs with knurling, shipped standard in Brushed Nickel, but also available as after-market options in four additional versatile hardware finishes (Polished Chrome, Polished Brass, Polished Copper, and Brushed Brass), the re-imagined AGA Elise 36" Dual Fuel Model confidently steps into the spotlight along side its classic AGA siblings.

48" DUAL FUEL RANGE

FEATURES

Product Dimensions: 47 1/16" W x 28 7/16" D x 36 1/8" H (inches)

The AGA Elise 48" Dual Fuel Model features three separate ovens. The first is an electric multifunction oven with seven settings including true European dual-convection cooking, fan-assisted baking, browning, thaw and serve, convection broiling, warming, and conventional cooking. A second European convection oven offers the ability to cook multiple large dishes at once using differing heating modes and temperatures, while a third dedicated glide-out broil oven allows for dedicated top-heat broiling. Solid cast iron grates adjoin to create a continuous cooktop surface above the five powerful sealed-brass burners, allowing for easy cleanup and prevention of messy spills from reaching internal components. A storage drawer stores extra racks and trays.
